Ordering Information:

McKesson numbers are provided for all products that are included in the warehouse program. These products may be ordered as part of your regular McKesson order.

Reorder tags with McKesson numbers are available for all items.

Items not included in the Warehouse Program can be ordered through the Drop Ship Program, details below.

Drop Ship

McKesson Drop Ship Program:

McKesson customers who purchase Apothecary Products' compliance aids, splints or other health care items qualify for these special “Drop Ship” terms:

- All products supplied by Apothecary Products and not included in the McKesson Warehouse Program can be purchased through the Drop Ship Program.
- Order directly using the Drop Ship form from this catalog or contact McKesson Custom Care for their complete catalog featuring over 14,000 retail and pharmacy supplies.
- $25 minimum order. Freight pre-paid over $200. Orders under $200 will be charged actual freight.
- Items must be ordered in inner quantities or quantities indicated.

Identify yourself as a McKesson customer when calling in an order to qualify for this special Drop Ship Program (excludes Anti-Fatigue Floor Mats and other items stating FOB Manufacturer).

Drop ship orders plus normal upcharges will be billed through McKesson, so please have your McKesson customer number and McKesson Division numbers ready when placing an order.
